

# Community led Housing Facilitator East Midlands Community Led Housing

£30,000 salary (+2.5%) + contributory pension scheme

Do you?... have a passion for **Community Led Housing**; a keen interest in helping **Communities**; experience of working in the **Housing Sector** and would you like to work in a dynamic organisation that is a key part of a growing movement of people building **innovative** and **affordable Homes** across the East Midlands... Then we may have the job you are looking for.....

EMCLH is a non-profit Community Interest Company working with a wide range of partners to create the best conditions for community-led housing to flourish, as well as practical grass-roots technical advice and assistance to communities wishing to develop all kinds of community-led housing.

This role is all about encouraging, advising and supporting community-led housing development across the East Midlands, including:

- Working at a grass roots community level to encourage advise on and support community-led housing development
- Building successful strategic relationships and alliances with the likes of funders and local authorities
- Delivering a programme of marketing and awareness-raising across the region
- Contributing to the development of good practice in supporting community-led housing
