

Swimming teacher

City of Lincoln Pentaqua Swimming Club's Learn to Swim Academy is looking for an experienced, self-motivated and enthusiastic swimming teacher to work alongside our Academy team.

As a result of the growth of the popular Swim Academy we are looking for a Swim England qualified Level 1/2 Teacher with NPLQ or NRASTC to join our Learn to Swim Team supporting the development of all aspects of the Academy's swimming programme. The teacher is needed to cover our Friday evening sessions from 16:30 onwards, but other timings could be available for the right candidate.

Pentaqua has a history of developing high quality swimmers, and is rightly proud of the club's ability to assist every swimmer to achieve their fullest potential at whatever level. The club operates successful competitive and Masters squads, offered in a structured environment, and works closely with Swim England to develop swimmers to the highest level.

For more information on the role, please contact secretary@pentaqua.org.
