WELCOME TO THE LINCOLNSHIRE SPORT & PHYSICAL ACTIVITY AWARDS 2024

A well known highlight of the Lincolnshire calendar, the Lincolnshire Sport and Physical Activity Awards is embarking it's 20th annual celebration in 2024.

These community awards are an amazing opportunity to recognise, celebrate and say thank you to people, organisations and clubs who have made a real difference to local people.

With a genuine 'feel good' vibe, the awards attracts a significant amount of local interest with thousands of page views and hundreds of nominations every year in addition to local press coverage.

With the support of sponsors, we are able to keep this a community awards that are free to enter and free for our finalists to attend, with every finalist receiving two free tickets to join the celebration.

Nominations are judged by a guest panel of partners and previous winners to ensure every nomination is judged on the merit of their achievement.

Our 2024 awards ceremony is to be held in early November in Lincoln. Venue details will be announced shortly, however building on the success of 2023 the ceremony will have up to 300 guests.

Through the awards Active Lincolnshire celebrate the fantastic work that individuals, clubs and organisations from across our county do to get more people, more active, more often.
